

GOLD LEAF APPEAL...!!!

RAISING FUNDS, TRANSFORMING LIVES

What is the Gold Leaf Appeal?

Simple, it is an appeal to publicise and raise vital funds needed to implement and support the continuation of AJRAF's work to help transform and improve the lives of people living in extreme poverty (especially children, youths and women)

“in every community there is work to be done; in every nation, there are wounds to heal; in every heart there is the power to do it” together we can

MAKE A DIFFERENCE!!!

The activities for which we are seeking your support will assist us in making a change, by supporting the development of sustainable projects that will improve communities by working with:

- children, women, young girls, community based organisations, orphanages, schools and health centres to lessen poverty through capacity building and support for community development programmes.

We believe in the dignity of all, and in people's rights to improved quality of life and better standards of living. No one wants to or enjoys being poor. Everyone wants a chance to a better life for themselves and their future generations.

“there is no reason for people and/or communities to go hungry, remain illiterate, suffer and/or die from common illnesses”

You can help us change this by:

- making regular monthly donations call 020 7739 4730 for the form or download from our website **www.ajraf.org**
