

AJRAF Top seven fundraising ideas

Raising money for AJRAF can be done in different ways, but we suggest you choose the one that you will enjoy the most! It's also a good idea to keep it simple so that you don't get too stressed organising it. Here are some popular ideas:

1. Dress down or non-uniform days

Get colleagues/pupils/students involved by asking them to pay to wear something different to work/school/college for a day.

2. Collections

Get permission to collect from your local supermarket, pub, football club, train station, theatre, cinema or shopping centre. But remember, you need to contact us before organising a street collection.

3. Quiz evenings

Organise just one night or a whole series of quizzes in local pubs or social clubs. You can charge entry for each team and get prizes donated. Many pubs or social clubs will support you as the event will bring them extra customers.

4. Sponsorship

Get sponsored for something you enjoy doing!. Or why not try sporting ventures such as swimming, cycling or running - and get fit at the same time. There are plenty of things you can get sponsored for.

5. Odd jobs

Perhaps you could help a neighbour by taking the dog for a walk, doing their shopping or cleaning up the garden. In exchange, ask for a small donation.

6. Party

Hold a party, BBQ, coffee morning and organise a raffle. Everyone will have a great time with the added bonus of knowing they have made a difference.

7. Challenge

Feeling adventurous? You could take on the challenge of a lifetime - from abseiling down a skyscraper to scaling a mountain. And you can ask people to sponsor you for your efforts or you organise a charity football match or golf day.
